P. O. Box 1467

Dear Ms. Wardlaw:

I write to confirm our telephone conversation of August 30, 1988 concerning the Democratic National Committee ("DNC") Non-Federal Programs (CA id # 830194). Specifically, it is my understanding that the DNC may incorporate additional non-federal accounts which it maintains into this California committee without having to set up any additional, separate reporting entities. It is also my understanding that the DNC need not amend any of its reports to reflect the addition of any new account which it maintains but may elect to file an amended statement of registration with the Commission. The DNC may continue to report as it has in the past, incorporating all accounts on file.

If this is not your understanding of our conversation, please do not hesitate to contact me at (202) 863-8050 or at the address below.

Thank you for your assistance in this matter.

Sincerely,
